

Welcome Students,

I hope you are having a fantastic summer and reading a lot of books! I am so excited to get to be your 6th grade teacher! It's going to be a year full of blessings, learning, and self growth. I can't wait to see what the rest of our year has in store for us! Our classroom theme this year is: "For the Joy of the Lord gives us Strength" J.O.Y shows us Jesus first, others second, and ourselves last.

To start off, I thought you might like to know a little bit about me. A few hobbies that I enjoy are reading, adventuring with my family, and learning new things. Things I really love are books, coffee, and PINEAPPLES. I earned my Teaching Degree from Central Missouri State University and continued my education at William Woods University earning my Masters Degree in Academic Administration. I have taught grades 4-9 in the classroom, Language Arts, and Religion. I have also taught as an adjunct professor for English Composition. I absolutely love teaching 6th grade! It is my mission to instill a love for faith and learning in my students, I teach with a passion so that my students develop a love and desire to become life-long learners.

As 6th graders at IC you will notice a few changes and privileges that come with being a Middle Schooler. Along with this title and responsibility comes a few privileges that only middles schoolers get and I am excited to share them with you: Irish Time (Social, Snack, and Outdoor Time) each day, a Healthy Vending Machine available to purchase snacks- profits benefit the Parish missions to feed the hungry. Nail polish for girls, colored socks (matching) may be worn, and printing privileges from Chromebooks to new Middle School printers in Technology Lab.

Please let me know if you have any questions, concerns, or ideas. It is so important to keep communication open between us and I would love to talk to you whenever you feel the need!

I look forward to a great year together,  
Mrs. Wilson
